

Sample Transfer  
Plan

Area of Focus: **English Literature**

Associate in Arts (AA) transfer degree

**This Sample Transfer Plan is for students intending to major in English with a literature focus after transfer, but who have not selected a transfer institution.** Students who have a specific transfer school in mind should work with BHC and transfer school advisors to ensure the transfer school's requirements are met.

The English Literature area of focus develops skills in writing, literary interpretation, critical analysis, historical research, and respectful debate. Literary courses that emphasize creative and critical writing help students find their own voice while they learn how literature and language have influenced the values and experiences of societies worldwide and across the ages. Graduates of baccalaureate programs in English Literature often find jobs teaching, writing, or editing. Employment is common in fields such as marketing, book publishing, business writing, or the non-profit sector. Others use English as a background for post-baccalaureate study of law, business, theology, social work, counseling, library and information science, or other graduate programs.

**Course Transferability:**

- Course and transfer requirements can vary among institutions and may differ from the recommendations on this guide. Grades of 'C' or better may be required for a course to transfer, especially courses intended for the major.
- **Students are advised to select a transfer school as soon as possible, typically before completing 30 college-level credits. This is especially applicable to English Literature majors, and Secondary Education English majors, where major requirements vary significantly among schools.**

**Degree Timeframe:**

- Students who complete an average of 15 college-level credits in four consecutive fall and spring semesters could complete the degree in two years. Students determine their own pace and progress and should consider their work and personal commitments, course difficulty, course pre-requisites, and possible need for additional courses determined by placement assessments. Advisors are available to discuss credit load and schedules appropriate for student goals and circumstances.
- Students transferring before completing the associate degree should discuss [Reverse Transfer](#) with their BHC advisor. Black Hawk College will evaluate your college or university work to determine if those credits will fulfill the remaining requirements of the associate's degree.

**Advising Notes:**

- See the current [BHC Catalog](#) for all IAI course codes, course descriptions, pre-requisite information, and complete graduation requirements to earn the degree. The area of focus is not stated on student transcripts.
- This guide is not a substitute for advising. All students are encouraged to connect with their assigned BHC advisor each semester.
